It works!

“ We've sponsored BayFM for 4 years. The value we get from community radio is that it keeps listeners informed and up to date about what's happening at Enova, particularly on community renewable energy projects and the latest customer offers. ”
~ Felicity Stening, CEO, Enova Energy

“ When Bell and Ford opened 8 years ago we ran a sponsorship campaign with BayFM. It kickstarted our business and it has continued to work well for us. It is our preferred media because it gets results. ”
~ Annette Campbell, Manager, Bell and Ford

“ Red Ginger has been a sponsor of BAYFM since we opened in 2002. Our association with BAYFM over years has kept locals aware of what Red Ginger has to offer in the local food and retail community. As a business owner it is important to keep your client base aware of your services. It definitely works for us. ”
~ Leslie Ford, Owner, Red Ginger

Better cut-through

Under our community broadcasting licence, sponsorship is limited to 5 minutes per hour. No clutter and longer breaks makes your message stand out and increases its effectiveness.
